How to do this activity:

1. Use **Ready for Play and Learning** to see if your child is ready to play and learn. Remember to use **5 Steps to Success** as you help your toddler explore their natural curiosity during the activity.
2. Gather crayons and paper to help your toddler learn how to draw. You can use recycled paper such as: paper bags, newspapers, cardboard, etc.
3. Practice drawing simple lines, shapes, or scribbles on the paper. Encourage your child to draw on their paper.
4. Learning to draw takes time, but point out your child's efforts and what they learned even if they draw something that looks different from what you drew.
