How to do this activity:

1. Use **Ready for Play and Learning** to see if your child is ready to play and learn. Remember to use **5 Steps to Success** as you help your toddler explore their natural curiosity during the activity.
2. Find a children's book you have around the home. Sit on the floor with your child and get their attention with the book.
3. Act out the different pictures in the book. For example, if the book has a picture of a rabbit, you can pretend to be a rabbit by hopping on the floor and saying something like: **I'm a rabbit hopping through the forest trying to find my friends.**
4. Encourage your toddler to also act out the pictures in the book. Ask them to copy your actions. Remember to use your imagination as you act!
