How to do this activity:

1. Use **Ready for Play and Learning** to see if your child is ready to play and learn. Remember to use **5 Steps to Success** as you help your toddler explore their natural curiosity during the activity.
2. Gather a variety of plastic, metal, and wooden containers and objects that will make a unique noise. Fill each container and secure the lid with tape or glue. Decorating the instruments will make this activity even more fun for your child.
3. Line these musical "instruments" up on the table or on the floor and show your child how to make music. It's even more fun to gather others together to sing songs.
