How to do this activity:

1. Use **Ready for Play and Learning** to see if your child is ready to play and learn. Remember to use **5 Steps to Success** as you help your toddler explore their natural curiosity during the activity.
2. Find 5 or 6 different things that you have 2 of, such as: socks, balls, blocks etc.
3. Put all the objects in front of your child. Pick up 1 object and ask your child to find the other one that is the **SAME**. Say something like: **Here's the CUP. Can you find the other CUP that's the SAME?**
4. If they pick up something that's **DIFFERENT**, say something like: **You found the BEAR. Can you find the CUP?** Encourage them to try again or help them by pointing to the object. Repeat the activity with all the objects.
