How to do this activity:

1. Use **Ready for Play and Learning** to see if your child is ready to play and learn. Remember to use **5 Steps to Success** as you help your toddler explore their natural curiosity during the activity.
2. Using a durable bag with a handle, show your child how to open the bag and put things that belong to them inside of it, and how to carry it around.
3. As your child plays, make up a story and do pretend play with them. Remember to keep the bag where they can easily find it and play with it.
4. Many parents also have special "outing" bags for their children, filled with special toys or snacks, that children can take with them only when they will be on long trips or in restaurants.
