- _____
- _____
- _____

Which Daily Do I want to focus on practicing:

- _____

When will we do this activity:

- _____
- _____

Who else can do this activity with my child:

- _____

How to do this activity:

1. Use **Ready for Play and Learning** to see if your child is ready to play and learn. Remember to use **5 Steps to Success** as you help your toddler explore their natural curiosity during the activity.
2. Help your child learn how to play **Tag**. Tell them how the game works. If there are other children or family members playing, tell everyone where the playing area begins and ends.
3. Either have yourself or another person be the "tagger." Have the tagger chase and try to tag your child by touching them. Once they tag them, they can say something like: **Tag! You're it! Now you go tag someone.**
4. Encourage your child to be the tagger and tag someone. Remember, learning takes time and they may not understand this game on the first try.
