

Amazing Animals

Handout B46

How this activity benefits my child:

- _____
- _____
- _____

Which Daily Do I want to focus on practicing:

- _____

When will we do this activity:

- _____
- _____

Who else can do this activity with my child:

- _____

How to do this activity:

1. Use **Ready for Play and Learning** to see if your child is ready to play and learn. Remember to use **5 Steps to Success** as you help your toddler explore their natural curiosity during the activity.
2. Get down on the ground with your child and tell them you're going to pretend to be animals.
3. Think of a farm or zoo animal, a pet, or an insect. Use your whole body to show your child how that animal moves and the noises it makes. Be loud and silly!
4. Encourage your child to be this animal too. Try pretending to be animals that crawl, wiggle, creep, fly, and swing so that your child can practice moving their body in different ways.
