#### How to do this activity:

1. Use **Ready for Play and Learning** to see if your child is ready to play and learn. Remember to use **5 Steps to Success** as you help your toddler explore their natural curiosity during the activity.
2. Gather any paper that your child can easily crumple, such as newspaper or tissue paper. Cut or tear the paper into small enough pieces for them to crumple into balls. Put the glue in a small container for dipping.
3. Find something to create the art on such as a piece of cardboard or paper bag.
4. Show your child how to crumple the paper into balls, dip them in the glue, and stick them on the cardboard or paper bag. Use Step 3 of **Two-Way Talk** to describe what they're seeing, hearing, touching, doing, and feeling.
