How to do this activity:

1. Use **Ready for Play and Learning** to see if your child is ready to play and learn. Remember to use **5 Steps to Success** as you help your toddler explore their natural curiosity during the activity.
2. Gather 3 or 4 different items of clothing that are similar but belong to different family members and put them together. Ask your child to find the ones that belong to them and other family members, saying something like: **Where are Rebecca's shoes? Where are my shoes?**
3. When your child finds the item you're asking for, say something like: **Yes, those are my shoes. They're MINE. Can you find YOUR shoes?**
4. If your child picks up the wrong item, say something such as: **Those are MINE. Here are Rebecca's shoes...these are YOURS.**
