How to do this activity:

1. Use **Ready for Play and Learning** to see if your child is ready to play and learn. Remember to use **5 Steps to Success** as you help your toddler explore their natural curiosity during the activity.
2. Gather items that interest your child (books, toys, etc.) and ask them if they'd like to play with you.
3. Begin playing next to your child with one item while you give them another. As you play with the item, talk about what you're doing, and what they're doing: **I'm playing with the toy airplane. You're playing with the doll.**
4. After a few minutes, ask them to take a turn with the item you're playing with. Continue to talk with them about what is happening: **We're taking turns with the doll and the airplane. Would you like to take a turn with the doll again?**
