How to do this activity:

1. Use **Ready for Play and Learning** to see if your child is ready to play and learn. Remember to use **5 Steps to Success** as you help your toddler explore their natural curiosity during the activity.
2. Hide yourself or a toy behind a wall, door, chair, tree, under a blanket, in a box etc. Call to your child saying something like: **Where am I? Come get me!**
3. When your child finds you or the toy, act **VERY** surprised. Make a surprised face and shout: **Great job! You found me!** Hug and kiss them.
4. Take turns with your child, encouraging them to hide and you find them. Start simple and then make the game more challenging as they learn and grow.
