

## Connecting the Cues: Cues and Signals

### Handout B5

#### The Signals or Cues (Verbal and Nonverbal) Your Toddler Gives

- Gets their favorite comfort toy or blanket
- Cries
- Yawns
- Looks at you
- Pulls on your clothing
- Whines or fusses
- Hits or bites
- Points
- Rubs their eyes
- Makes a face (what kind of face?)
- Clings to your leg
- Laughs or smiles
- Says...*(fill in the words)*
- Sucks their thumb, fingers, or hand
- "Falls to pieces" (has a tantrum)
- Throws things
- Kicks
- Yells
- Pouts
- Climbs on you or other things
