**How to do this activity:**

1. Use **Ready for Play and Learning** to see if your child is ready to play and learn. Remember to use **5 Steps to Success** as you help your toddler explore their natural curiosity during the activity.
2. Think of a recent outing that your child took, or a recent interaction with a special person in their life.
3. If you can, find a picture or photo that would help remind your child of the outing or special person.
4. Using an excited voice, talk to them about what they saw, heard, touched, did, and felt. You might start by saying something like: **Do you remember the dog we saw yesterday on our walk? (Pointing to a picture of a dog)...It was a BIG DOG like this one!**
