**How to do this activity:**

1. Use **Ready for Play and Learning** to see if your child is ready to play and learn. Remember to use **5 Steps to Success** as you help your toddler explore their natural curiosity during the activity.
2. Tell your child that they're going to play a game. Say something like: **We're going to play a game. When I TOUCH you, come and get me!**
3. Using your hand, touch your child's arm and go stand somewhere in your home. You might say something like: **Touch! Come get me by the DOOR.** (They might enjoy this more if you do things like run, hop, or skip to the door.)
4. When they get to you, encourage them to touch your arm. Once they touch you, go somewhere else to stand. To make this game even more fun, you might choose to involve some items that your child enjoys. For example: **Touch! Now come get ME and your TEDDY BEAR.**
