How to do this activity:

1. Use **Ready for Play and Learning** to see if your child is ready to play and learn. Remember to use **5 Steps to Success** as you help your toddler explore their natural curiosity during the activity.
2. Use paper plates or cut out paper circles to make "lily pads." Lay them on the floor. Help your child gather 3-4 toys or objects that they can easily pick up and place one toy on each lily pad.
3. Help your child learn how to squat down and pick up a toy off of a lily pad, then jump like a frog. Make it more fun by adding sound effects. **Ribbit!** Repeat the action for each lily pad.
