

Toss
Handout B72

How this activity supports physical development:

- _____
- _____
- _____

Which Daily Do I want to focus on practicing:

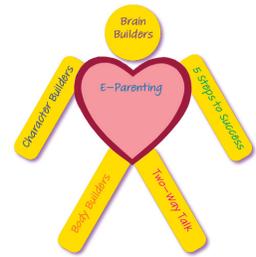

- _____

When will we do this activity:

- _____
- _____

Who else can do this activity with my child:

- _____
- _____

How to do this activity:

1. Use **Ready for Play and Learning** to see if your child is ready to play and learn. Remember to use **5 Steps to Success** as you help your toddler explore their natural curiosity during the activity.
2. Put a container 1 to 3 feet away from your toddler. This can be a laundry basket, box, bucket, etc. Gather things with your child that they can toss in the container like clothes, balls, toys, or shoes.
3. Show them how to throw things in the container. Remember to cheer and clap when they get things in the container. Children tend to have more fun with this game when parents or other people also throw items in the container.

Remember to have fun and make wonderful memories!
