How to do this activity:

1. Use **Ready for Play and Learning** to see if your child is ready to play and learn. Remember to use **5 Steps to Success** as you help your toddler explore their natural curiosity during the activity.
2. Find a doll or stuffed animal and gather 3 of your child's clothing items.
3. Let your toddler explore the doll/stuffed animal as you use pretend play with them and encourage your child to dress the doll/stuffed animal in the different articles of clothing. For example, you might say something like: **It's snowing outside and Baby Bear is feeling SAD because they can't find their winter hat. Can you find their winter hat and put it on them? Yayyy! Now Baby Bear is feeling HAPPY because they can go play in the snow.**
