How to do this activity:

1. Use **Ready for Play and Learning** to see if your child is ready to play and learn. Remember to use **5 Steps to Success** as you help your toddler explore their natural curiosity during the activity.
2. Encourage your child to pick out a book. Then place them in your lap or sit close to your toddler while you show them the book.
3. Instead of reading the story to your child encourage them to interact with the book by flipping through the pages as you ask them questions like:

Where do you think the bunny is going? What color is this sky? Can you show me the flower? Why do you think the bunny is hopping away from the garden?
