**How to do this activity:**

1. Use **Ready for Play and Learning** to see if your child is ready to play and learn. Remember to use **5 Steps to Success** as you help your toddler explore their natural curiosity during the activity.
2. Play I Spy with your child. As they get older and understand the game more, give them an opportunity to spy items as you look for the objects.
3. Remember, you can do this activity anywhere. Many parents like to play this game during their toddlers' basic care routines as they do things like help their children get dressed or bathe them.
