How to do this activity:

1. Use **Ready for Play and Learning** to see if your child is ready to play and learn. Remember to use **5 Steps to Success** as you help your toddler explore their natural curiosity during the activity.
2. Gather the ball that you and child made together. Support them to kick the ball in lots of different ways such as:
  - High into the air...Under a table...
  - To the end of the room...Toward you...
  - In a basket...Over a toy...
3. As they kick the ball, talk with them about what they're doing **AND** feeling. You might say something like: **Wow! You kicked that ball high into the air. You're feeling EXCITED about kicking the ball.**
