How to do this activity:

1. Use **Ready for Play and Learning** to see if your child is ready to play and learn. Remember to use **5 Steps to Success** as you help your toddler explore their natural curiosity during the activity.
2. Gather the book you and your child made together. Then place them in your lap or sit close to them as you show your toddler the book.
3. Share stories about each family member or talk about what is happening in the picture. Remember to ask your child questions and allow them to turn the pages as you explore the book with them.
4. As your toddler grows older, you can help them add new pages to the book.
