Which Daily Do I want to focus on practicing:

When will we do this activity:

Who else can do this activity with my child:

- \_\_\_\_\_

How to do this activity:

1. Use **Ready for Play and Learning** to see if your child is ready to play and learn. Remember to use **5 Steps to Success** as you help your toddler explore their natural curiosity during the activity.
2. Encourage your child to pretend they're a superstar. Provide them with some props for their pretend play. For example, if your toddler is pretending they're an athlete, you might put a jersey on them or if they're pretending to be a singer, you may give them a paper towel tube and tell them it's a microphone. This activity is all about helping your child use their imagination, so you can support them to be creative with dress up clothes and props by using common things found around your home.
3. As your toddler pretends, encourage them to use lots of different body movements. You can also join them in their fun by acting like you're their audience. You might say things like: **What a lovely twirl!** or **Throw the ball in the basket. Yayy, 2 points!**
