How to do this activity:

1. Watch for cues and signals to see if your child is ready to play and learn. Remember to help your child explore their natural curiosity during the activity.
2. Using the storybooks created in the visit, talk with your child about each book, one-at-a-time.
3. Describe in detail what is on each page. Or, for each page, tell them a little story about the picture.
4. Encourage them to touch the books and show them how to turn the pages.
5. When your child is tired of a book, simply change the pictures or use another book.
