**Who else can talk with my baby using their storybooks:**

**How to do this activity:**

1. Using the storybooks created in the visit, talk with your baby about each book, one-at-a-time.
2. Describe in detail what is on each page. Or, for each page, tell them a little story about the picture.
3. Once your baby arrives, encourage them to touch the books and show them how to turn the pages.
4. When your baby is tired of a book, simply change the pictures or use another book.
