How to do this activity:

1. Watch for cues and signals to see if your child is ready to play and learn. Remember to help your child explore their natural curiosity during the activity.

2. Find a glove or mitten.

3. Draw a face on the end of the index finger of the glove or on the inside of the mitten.

4. Put the glove/mitten on.

5. As you do this, make up a story to tell your child using the glove interactively. You can also sing them a song using the Glove Puppet.
