How to do this activity:

1. Watch for cues and signals to see if your child is ready to play and learn. Remember to help your child explore their natural curiosity during the activity.
2. Gather a number of items that have different textures such as: a softy fuzzy towel, a satin edge of a blanket, a sponge, a small brush, silky pajamas, etc.
3. Describe the items to your baby. Say something like:

This is a soft fuzzy towel.

The sponge is wet in my hand.

Your new brush is so soft and smooth.
